McGurn Named Vepco Chairman

The Board of Directors of Virginia Electric and Power Company recently elected two directors and elevated John M. McGurn, the company's chief executive officer, to chairman of the board, succeeding retiring chairman Erwin H. Will, who was named honorary chairman.

Elected are Mrs. Jackson L. Fray Jr. of Culpeper, Va., the first woman named to the Vepco board, and W. S. Peebles III, general manager of W. S. Peebles & Co., Inc. of Lawrenceville, Va.

Also three other board members, in addition to Mr. Will, who announced their retirements, were elected honorary directors. They are Jay W. Johns of Charlottesville, Clarence J. Robinson of Alexandria and S. E. Ratcliffe of Richmond.

The announcement of the two new directors brings to four the number of board additions made in the last month. Named to the board in November were Dr. Allix B. James, president of Virginia Union University in Richmond, and William F. Vosbeck, Jr., FAIA, managing partner of the architectural, engineering and planning firm of Vosbeck Vosbeck Kendrick and Redinger of Alexandria.

Mrs. Fray, the wife of a Culpeper attorney, is a 1939 graduate of Hollins College with a B. A. degree in sociology.

Mr. McGurn, a veteran of 37 years in the electric industry, joined Vepco in 1941, after seven years with the El Paso Electric Company, then an associated company.

He was named operating manager in 1961 and was elected vice president in 1963, senior vice president in 1966, and president, chief executive officer and a director in 1967.

He was elected vice chairman of the board and chief executive officer in 1970.

The retiring board members have a total of 66 years of service on the board.

Mr. Will leaves the chairman's chair after a 49-year electric utility career and 16 years on the Vepco board, 12 of which he served as chairman. He joined Vepco in 1922 at Richmond. He accepted a position with El Paso Electric Co. in 1935 and later became its President.

In 1947, Mr. Will returned to Vepco as general manager of operations. He became vice president and general manager in 1954 and president in 1956.

Mr. Will elected vice chairman of the board in 1958 and chairman in 1960, He retiredas a company officer in January, 1965.

Mr. Robinson, president and director of Robinson Realty Corp., Alexandria, became a Vepco board member in 1957. He is also a director of United Virginia Bank/First & Citizens National, Alexandria, and a director of Robinson Export-Import Corp.

Mr. Ratcliffe has been associated with the electric utility industry for 54 years. After positions with electric companies on both coasts, he joined Vepco as assistant treasurer in 1947.

He was named treasurer in 1953, vice president and treasurer in 1961 and a director in 1962. In 1963, he was named senior vice president, and he retired as an officer in 1965.

Greens Have Meaning

Greens that adorn home, streets and stores at holiday time entered the lore of Christmas from pagan rites of old.

The ancients believed that each green had its own significance, and an ability to do certain good -- or evil -- things.

Ivy, they thought, was festive. Its convivial nature came from Bacchus.

Yew and cypress had the highest virtues. Theirs was the quality, and the symbol, of eternal life.

Yule Lives In Legend

Twinkling on trees, glowing from windows, glittering everywhere, Christmas lights reflect, today, the candles of an earlier time.

A candle in the window can light the Christ Child on his way, says Irish legend.

Nativity scenes in homes and churches depict the animals of the Manger—and on Christmas Eve, the cattle, the sheep and all the animals present at the Nativity are given the gift of speech.

So says the lore of Christmas.

The legend and lore of Christmas expresses the simple faith that lies at the heart of this happy, holy time.

WHAT TO DO WITH ACORNS?

When there are more acorns around than the squirrels can stash away, what to do? Frank Glover has the answer in The Owl Gift Shop in Evergreen. He's taken hundreds of acorn "caps" and used them to decorate picture frames, gourds and dozens of other objects.

The Owl Gift Shop has a genuine stuffed owl to greet visitors. The owl's large yellow-orange eyes light up, too, when owner, Frank Glover flips the electric switch. Craftwork, old bottles, old farm implements and other treasurer from the past are all on display in the shop which Mr. Glover calls a combination hobby and work place.
